### **Remuneration Committee's terms of reference**

#### **1. CONSTITUTION**

The Committee was constituted at a full meeting of the board of directors held on 29 January 2009 in accordance with the articles of association of the Company.

#### **2. DUTIES AND TERMS OF REFERENCE**

- 2.1 The Committee shall determine and agree with the board the framework or policy for the remuneration of the company's Chief Executive, Chair, the executive directors, the Chief Executive's direct reports and such other members of the executive management as it is designated to consider. The remuneration of non-executive directors shall be a matter for the executive members of the board to determine. No director or manager shall be involved in any decisions as to their own remuneration;
- 2.2 In determining such policy, the Committee shall take into account all factors which it deems necessary. The objective of such policy shall be to ensure that members of the executive management of the company are provided with appropriate incentives both for retention purposes and to encourage enhanced performance, support long-term shareholder interests and to promote long-term sustainable success and are, in a fair and responsible manner, rewarded for their individual contributions to the success of the company;
- 2.3 The Committee shall review the ongoing appropriateness, alignment to the company's strategy and relevance of the remuneration policy;
- 2.4 The Committee shall approve the design of, and determine targets for, any performance related remuneration schemes operated by the company and approve the total annual payments made and incentives provided under such schemes;
- 2.5 The Committee shall review the design of all share incentive plans for approval by the board and shareholders. The design should enable the use of discretion to override formulaic outcomes and to recover and/or withhold sums or share awards under appropriate specified circumstances. For any such plans, the Committee shall determine each year whether awards should be made, and if so, the overall amount of such awards, the individual awards to executive directors and other senior executives and the performance targets to be used;

- 2.6 The Committee shall determine the policy for, and scope of, pension arrangements for each executive director and other senior executives;
- 2.7 The Committee shall determine the policy for, and scope of, all remuneration arrangements for each executive director and other senior executives;
- 2.8 The Committee shall ensure that contractual terms on termination, and any payments made, are fair to the individual, and the company, so that failure is not rewarded and that the duty to mitigate loss is fully recognised;
- 2.9 Within the terms of the agreed policy and in consultation with the Chair and/or Chief Executive as appropriate, the Committee shall determine the total individual remuneration package of each executive director and other senior executives including bonuses, incentive payments and share awards. The choice of financial, non-financial and strategic measures is important, as is the exercise of independent judgment and discretion when determining remuneration awards, taking account of company and individual performance, and wider circumstances;
- 2.10 In determining such packages and arrangements, the Committee shall give due regard to any relevant legal requirements, the provisions and recommendations in the Combined Code, PLSA Corporate Governance Policy and Voting Guidelines for AIM Companies, the Corporate Governance Guidelines for AIM companies and the London Stock Exchange's rules for AIM companies and associated guidance;
- 2.11 The Committee shall:
- (a) review and note annually the remuneration trends across the Group;
  - (b) agree any major changes in employee benefits structures throughout the Group;
  - (c) agree the policy for authorising claims for expenses for the officers of the company;
- 2.12 The Committee shall ensure that all provisions regarding disclosure of directors' emoluments are fulfilled;
- 2.13 The Committee shall be exclusively responsible for establishing the selection criteria, selecting, appointing and setting the terms of reference for any remuneration consultants who advise the Committee;
- 2.14 The Committee shall obtain such reliable, up-to-date information about

remuneration in other companies which are reasonably considered to be similar to the Company as reasonably required to fulfil its duties. The Committee shall have full authority, at the Company's expense, to commission any reports or surveys and to obtain any outside legal or other professional advice which it deems necessary to help it fulfil its obligations;

- 2.15 The Committee is authorised by the Board to seek any information it requires from any employee of the Group in order to perform its duties; and
- 2.16 The Committee shall consider such other matters as may be requested by the board of directors.
- 2.17 The Committee shall review workforce remuneration and related policies.
- 2.18 The Committee shall work and liaise as necessary with other board committees, ensuring the interaction between committees and with the board is reviewed regularly.
